Student Materials

Supporting Question Two: How did the use of trade goods show differences in what people valued?

Part A—Use of Trade Goods: Summarize

Directions: Fill in the chart with what Native people and the Dutch used wampum, metal and fur for.

	Wampum	Metal	Fur
Native			
Dutch			

Part B—Differences in Values: Making Inferences

Directions: Use evidence from Part A to write inferences on what Native people and the Dutch valued based on how trade goods were used.

Inferring About Native Values	Inferring About Dutch Values
