Supporting Question Three: What did land exchanges mean to Native people and the Dutch?

Part A—Views of Land: Gathering Evidence

Directions: Gather evidence from the sources provided on the different views of land to fill in the chart.

Native View of Land	Dutch View of Land

Part B—Crafting Evidence-Based Claims

Directions: Use evidence you gathered on views of land to craft a claim on what land exchanges meant to Native people and the Dutch. Use what you learned in Supporting Questions 1 & 2 about Native and Dutch values in constructing your claims.
